Re: Gulfco Marine Site, Section 104(e) Information

Dear Ms. Nann:

I represent Parker Drilling Company in this matter. The agreed upon date for responding to the EPA's CERCLA §104(e) information request is August 4. I left you a voicemail several days ago indicating that Parker needs additional time to obtain documents from its FOIA request and from its internal document search. Until the documents are obtained we are not in a position to provide much information. I spoke this morning with Ms. Janice Bivens about this matter. Parker requests a month extension of time until September 4, 2003. I look forward to hearing from you to confirm the extension of time.

Very truly yours,

John R. Eldridge
